

Deans & Homer

ESTABLISHED IN 1856

CLOUD-BASED FLOOD PLATFORM

Introducing the industry-leading Torrent flood platform in partnership with Homesite.

Through this platform, agents are now empowered with best-in-class technology - simplifying the selling, servicing and claims monitoring of commercial and residential flood insurance for their clients.

FULLY-INTEGRATED QUOTING

Automated integration to quote, bind, and issue NFIP Flood policies in 3 minutes

ENHANCED REPORTING & ANALYTICS

Access timely data and market insight to help manage and grow your business

REAL-TIME CLAIMS INTEGRATION

Report and administer claims directly online to speed-up issuance of payments
